DOG REGISTRATION AND CONTROL OF DANGEROUS DOGS

ORDINANCE NO. 13-2 12C

BE IT ENACTED BY THE LEECH LAKE TRIBAL COUNCIL

Section 1. Title

This ordinance shall be known as the Dog Registration and Control of Dangerous Dogs.

Section 2. Findings

The Leech Lake Reservation Tribal Council finds and declares that:

- (1) Dogs have become a public health and safety risk in various communities of the Leech Lake Reservation; and
- (2) In order to protect the health, safety and welfare of the Reservation it is necessary to provide for the registration of dogs and the control of stray, abandoned, and dangerous and nuisance dogs.

Section 3. Purpose

To regulate and control the dog population on the Leech Lake Reservation and to protect people, livestock, wildgame, and other domestic animals.

Section 4. Definitions

The terms used in this ordinance have the meanings given them.

Subdivision 1. "Dog" applies to any canine animal, male or female, sexed or neutered.

Subdivision 2. "At large" means any dog off the owner's premises and/or not accompanied by or under control of a person by leash, cord, chain, or otherwise in tribal housing areas and private property.

Subdivision 3. The term "dangerous dog" shall not apply to dogs used by law enforcement officials for police work. "Dangerous dog" means any dog that has:

- (1) without provocation, inflicted substantial bodily harm on a human being on public or private property;
- (2) injured/killed a domestic animal without provocation while off the owner's property;
- (3) been found to be dangerous by an Enforcement Officer and the dog aggressively bites, attacks or endangers the safety of humans or domestic animals;
- (4) has been used primarily or in part for the purpose of dog fighting, or is a dog trained for dog fighting;
- (5) has, when unprovoked, chased or approached a person upon the streets, sidewalks, or any public grounds in a menacing fashion or apparent attitude of attack; provided that such actions are attested to in a sworn statement by one or more persons and dutifully investigated by an Enforcement Officer. A dog shall not be classified as dangerous if the threat, injury, or damage was sustained by a person who, at the time, was unlawfully on the property, or, while lawfully on the property, was tormenting, abusing or assaulting the dog or its owner or a family member. No dog may be classified as dangerous if the dog was protecting or defending a person within the immediate vicinity of the dog from an unjustified attack or assault.
- (6) Rottweiler, pit bull, Doberman, shepherd, and/or mixed breeds to any degree of the previously listed breeds are prohibited as legal animals to be owned, fed, and/or cared for by any persons in tribal housing areas on the Reservation. Rottweiler, pit bull, Doberman, shepherd, and/or mixed breeds to any degree of the previously listed breeds are automatically defined as "dangerous".

Subdivision 4. "Owner" means any person, firm, corporation, organization, or department possessing, harboring, keeping, having an interest in, or having care, custody, or control of a dog, or permitting any dog to habitually remain on or be lodged or fed within such person's house, yard or premises. This term shall not apply to veterinarians or kennel operators temporarily maintaining, on the premises, dogs owned by others for a period of less than thirty (30) days.

Subdivision 5. "Reservation" means the Leech Lake Indian Reservation as established by treaty and executive order within the boundaries described in an unpublished consent judgment in Leech Lake Band of Chippewa Indians v. Herbst. No. 3-69 Civ.64 and 3-70 Civ. 228 (U.S. Dist. Ct., Dist. of Minn., June 18, 1973), including all lands and waters inside the described boundaries regardless of the issuance of any patent.

Subdivision 6. "Enforcement Officer" means a Leech Lake Public Safety Officer, a Leech Lake Animal Control Officer, a Leech Lake Environmental Health Specialist, a Leech Lake Conservation Officer, animal control officer, or any other law enforcement officer.

Section 5. Registration of Dog

Subdivision 1. Registration; Fee Required.

Rottweiler, pitbull, Doberman, shepherd, and/or mixed breeds to any degree of those previously listed breeds owned, fed, and/or cared for on private property or non-tribal housing areas must have a \$50,000 liability insurance certificate.

Subdivision 2. No Improper Use of Registration Tags

No person shall attach a registration tag to a dog unless the dog has been properly vaccinated and registered with the Leech Lake Public Safety Division.

Subdivision 3. Abandonment/Disposition of Unclaimed Dogs

It shall be the duty of the appropriate Leech Lake Public Safety personnel or enforcement officer to keep all dogs impounded under the provisions of this ordinance for a period of not less than ten (10) days from the date of posting of notice, unless sooner redeemed or disposed of, pursuant to this Ordinance. The refusal or failure of the owner of any dog to register the dog or to pay the registration fee or to pay necessary expenses incurred to control the dog within ten (10) days after written notice thereof by the Leech Lake Public Safety Division shall be deemed abandonment of such dog by the owner. Abandoned dogs are subject to destruction as provided in Section 6 of this Ordinance.

Section 6. Seizure and Destruction of Dangerous and/or Abandoned Dogs

No dangerous and/or abandoned dog shall be permitted to run at large on the Reservation. Quarantine orders shall be published at least once in a local newspaper and posted on roads leading to the quarantine area. The Director of the Leech Lake Public Safety Division or enforcement officer may, on the recommendation of a veterinarian, require the vaccination of any or all domestic animals in the community during the period of quarantine.

Any dog that, in the opinion of an enforcement officer appears to have rabies shall immediately be destroyed in a safe, sanitary, and humane manner. If the animal is suspected to have bitten a person, the veterinarian or enforcement officer shall notify the person or the person's physician. Following such
