Motion by Sally Fineday to accept the meeting minutes of November 17, 2014, second by Roselyn Loeken, 4-0 motion carried.

New business:

Issues of homes broken into and increased traffic in the community has resulted in seeking assistance from the Leech Lake Tribal Police. In October, Richard Cutbank's residence was broken into and on November 29, 2014 the residence of Jackie Fineday was broken into. Community members have reported an increase in traffic on Cass River Road and Connection Drive. Community members of Connection Drive have seen flashing lights from vehicles at night.

Leech Lake Tribal Police will increase patrols in the community. LLTPD seek community members to call if there are any unusual incidences in the neighborhood. Ken Washington gave his cellular number to make sure that citizens have a direct link to the LLTPD.

Discussion took place of LLBO funds to the Council for distribution at Christmas. There has been no notice thus far.

Motion by Sally Fineday to adjourn at 6:45 p.m., second by Roselyn Loeken, 4-0 motion carried.
