He's been a nurse out here for 10 years.
^{Director of nurses} Head of Health Division. Shared stories of
working here in Onigum. None care nurses
Tanya - Tatianna from Russia, Rhonda
Butcher, Terry DeFoe - they go all over
the reservations. The nurse can get pill
counts but need to be referred. Meds
are delivered by nurses or CHR
Clinic 10-3:30 Rolene Wallenbach
is primary care provider since Dr. Chester
left. Rolene will be leaving in May,
Hoping to get Onigum Clinic open twice
a week. Dr. Ambney is only doctor at IHS.
New optometrist in Cass Lake. The new IHS
is now open. Open House on Monday.
Faron questioned referrals. Vince said
cancer, brain, proctologist get referrals.
You shouldn't have a cost if you
have a referral. Emergencies you
need to report ASAP to ^(up 72 hours) IHS. Can the
chiropractor come out here? It's in
the talks. He sees them in Bemidji,
Cass Lake, Kego, Sugar Point, (Inga?)
He has his own table.
Referral from dr. to work with patients.

March 10, Special Use Permit for Pow-wow

miten 20 years, worked in the past, 5 year permit. Need contact person from the Local Council. What are the needs now, need to use National Forest Land. Space looking for - camping, ex. (Tower is Forest land) structure use-permit is required, area where the community garden has been started. Will try to have a light installed before spring. YCC - program starts in June - hire 4 students. 15-18 yr olds -

POWwow committee - sign up at the Christmas party.

Lee Brown confirmed the land plot that belongs to MCT/DNR which is the section that includes community garden + tower. The rest of the land is ours + therefore, we wouldn't need a permit!

Sherry also wanted to inform us that if there are any parcels of land that could go back to us to let her know and she will work on doing an exchange or put back into trust.

Crivell makes a motion to adjourn, Puscilla seconds all in favor 5-0
