RE: Xmas Party Donation-
Community Round-up Function

To whom it may concern,

The Bucklake/Sugarbush LIC would like to request \$500.00 to help financially support our Christmas Community Round-up get together scheduled to take place Sunday, Dec. 14, 2014. We're joining with the Mission LIC/community so the attendance will be greater than our original headcount(s). The needs include food, some holiday decorations, candy/cookies makings for the kids, and monies for game door prizes.

Our intention during this holiday gathering is to network, share ideas, and build a community. This is an important function to both LICs and the community so any financial assistance would be greatly appreciated. Because our LIC operates without a budget we feel the need for this request and would hope the Dist 3 Office will financially support our Community Round-up. Please contact Cheryl Johnson (218)766-1851 or Nancy Beaulieu (218)556-5033 if you have any questions/concerns.

We appreciate your time and consideration you have given to this matter, we look forward to your response.

Thank you,

Nancy Beaulieu BL/SB Sec/Treas.

Cheryl Johnson BL/SB Chairperson

Nancy Beaulieu- BL/SB. Sec/Treas.
