- b. Open Discussion
 - We need a way to reach out to community members to get them to attend the monthly meetings and a way to get ahold of the area kids who are Leech Lakers to have them be a part of the planning for youth events;
 - We always find out about youth events that Leech Lake is doing after they have already occurred, such as the recent Twins game outing; we did find out that it was a DARE kid's event; we would like to be included and given some kind of advance notification to participate in other youth events; we were told to contact Dorothy in education division for JOM funds for Duluth area kids
